## PARLIAMENT: TO HER VICTORIA

# SORRY FOR LOSSES BUT MUST WIN FIGHT.

LONDON, Jan. 29.—The Queen's speech, to be delivered to Parliament at the reassembling of the houses to-morrow, will indicate the unalterable determination of the country to press the Boer war to a finish.

There will be no let-up until Britain attains her objects to-day. It says: and the British flag flies over Pretoria and Bloemfontein. that he sew Major Rockefeller in North-This is not stated in the speech in so many words, but the ish officer in Southern Luzon stated that short reference to the war, chiefly confined to regrets at the satisfactory conclusion can be reached." terrible bloodshed and praise of the men who have laid down their lives for their country, all go to show there is not the but no tidings could be had at any time slightest idea of giving up the fight until Great Britain's ends by the rebels. are attained.

The speech will also say that relations with all the foreign States are very friendly and will express great pleasure and gratification at the patriotism shown by the colonies. The press is practically a unit for forcing the war.

## HEAVY LIST OF LOSSES TO BE MADE PUBLIC TO-NIGHT.

(Copyright, 1900, by the Press Publishing Company, New York World.) (Special Cable to The Evening World.)

LONDON, Jat. 29.—Great Britain at last admits she is paying "a price that will stagger humanity." The War Office late this afternoon announced that fell from the eighth floor, that a "VERY HEAVY LIST OF CASUALTIES WILL BE ISSUED TO- His arm was broken and his skull was fractured. He was taken to the Plower Hospical. NIGHT.

Gen. Buller wired this evening from Spearman's Camp that the casualties among the officers of the Fifth Division and Mounted Brigade at Spion Kop Jan. 24 were: Killed. 22; wounded, 20; missing, 66.

The killed include Captain the Honorable W. H. Petre, and Lieut. C. G. Grenfell, both of Thorneycroft's mounted infantry. Among the wounded are Col. Blomfield, Second Lancashire Fusiliers, who was taken prisoner; Gen. Woodgate, dangerously, and Major E. W. Scott-Moncrieff.

It is said the casualties will figure over 2,000, making the total losses

since the war began over 11,000 killed, wounded and captured.

The War Office issued a denial that Ladysmith HAS SURRENDERED, but this in no wise discredits The Evening World's information that Gen. White HAS BEEN ABANDONED. This is what hurts British pride, and criticism of Buller's infantile strategy is simply at white heat.
